

## NEICAC | YOUR LOCAL COMMUNITY ACTION NETWORK

America was built on the promise that every family should have opportunity for success. Whether our neighbors are experiencing a temporary setback or face a continuous challenge to meet their basic needs – too many struggle to achieve a good quality of life. On a national level, nearly 40 million people are still living in poverty, and even more are just one missed paycheck away from hardship. We believe everyone should be able to take care of their families and have an equal opportunity at success. Community Action Agencies serve 99% of all American counties across the nation with life-changing services to help families achieve stability.

Northeast Iowa Community Action Corporation (NEICAC) is a private, nonprofit Community Action Agency that began in 1965 and continues today to provide the support and resources to improve the stability and quality of life for individuals and families with limited resources. We assist those living in the northeast Iowa counties of Allamakee, Bremer, Chickasaw, Clayton, Fayette, Howard & Winneshiek with programs serving in all stages of life. Our work enables individuals and families to live, work, and contribute to their communities. NEICAC is locally controlled and represented by the private, public and low-income sectors of our communities.
