THOUSAND

Dollars paid to water vendors in NEICAC's service area to reconnect or maintain water for over 100 households in November.

NEICAC Changes Lives:

MEET BRITTANY: A Northeast Iowa resident, single mom of three kids, and a CNA. Without Northeast Iowa Community Action Corporation (NEICAC) "I'd be homeless, my utilities would be off, my kids might not be in proper school getting the education they deserve," Brittany stated.

CACFP

Two new providers from Clayton & Allamakee counties completed record checks in November. During November reviews, 47 children were in attendance & interacted with CACFP staff!

Transit

61 new customers were served in the month of November and transported 509 unduplicated customers.

Weatherization

Staff have been continuing to review Weatherization Standards and refreshers in other areas of training to improve efficiencies and accuracy in the work being done.

Early Childhood Programs

Of our 51 Head Start teaching & management staff, 16 employees are former or current parents of Head Start children. That is 32% of our Head Start workforce at NEICAC!

From entry to exit, our FaDSS program saw clients' FIP (cash assistance) payments from the state decrease by \$255.32/month and wages increased by \$1,290.62/month for families employed at exit.

Our Housing Properties Manager has been promoted to Housing Programs Coordinator. The program is in the process of selling two additional Lease Purchase homes in December & January!

821

Households were approved for LIHEAP to assist with oil, electric, natural gas, propane, or wood costs for this winter's heating season.

6761

Rides provided by Transit in the month of November.
