

NOVEMBER 2022 DASHBOARD

NORTHEAST IOWA COMMUNITY ACTION CORPORATION

★ 3 ★
THOUSAND

Over 3,000 unduplicated individuals were served through our outreach offices in October 2022.

Words from our Family Services clients:

"The lady I spoke to was kind and did not make me feel like a beggar. She assisted me quickly & with a warm heart. I am so grateful."

"It was so easy for me to help my elderly mother get set up with your organization. The FSS was so helpful to work with and explained everything to us."

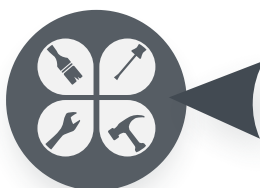

CACFP

7,297 morning & afternoon snacks were served through providers in September 2022. The program welcomed a new provider in Chickasaw County!

Transit

470 unduplicated customers in October 2022. 6,637 trips were completed for a total of 50,972 miles driven.

Weatherization

A new crew member joined the team in October! Staff have been equipping their toolboxes with reviews of state standards & training for the new Energy Auditor.

Early Childhood Programs

Head Start Centers in Cresco, Decorah, Guttenberg, Monona, New Hampton, Waverly, and West Union received their Level 4 IQ4K rating, which assesses the quality of DHS licensed child care centers & preschools.

FaDSS reported 182 significant contacts with enrolled families & 76 collaborative contacts with community partners, referral sources, etc. Currently, there are 21 families on the waiting list.

Our Maynard duplex has an opening - Housing staff is currently verifying applications. Tenant Utility Allowance has been calculated for all properties; this will be effective 2.1.2023.

Rate of clients surveyed that answered "yes" when asked if they received the information & services they needed.

Furnace requests recieved since 10.1.2022

MAKING A DIFFERENCE

102 households received baby/personal care items or household products through our food pantries in October.

1,412 households were approved for LIHEAP.
