

# OCTOBER 2022 DASHBOARD

NORTHEAST IOWA COMMUNITY ACTION CORPORATION

★ 3 ★

THOUSAND

Breakfasts, lunches, and snacks from CACFP to 230 children across 16 Head Start Classrooms

### Words from our Family Services clients:

"They were interested in helping and polite & pleasant. Made things less stressful & the experience was reassuring in a particularly & unusually bad time for me"

"They are so understanding, helpful, and non-judgmental. It has been a very humbling experience to be in our position & need help"

### Family Services

Over 1,100 payments for a total of \$201,000+ was paid to water vendors to prevent disconnects or to reconnect water services from 10.1.21 - 9.30.22.

### Transit

479 unduplicated customers; 94 were brand new to Transit. 6,325 trips were completed for a total of 50,011 miles driven.

### Weatherization

Ten homes were Weatherized in September. State monitoring is taking place in the form of field inspections & administrative process checks.

### Early Childhood Programs

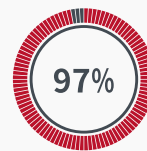

Over the summer, 28 families participated in three field trips and 32 families participated in nine playgroups.

Three families exited the FaDSS program; the average time spent in the program was 26 months & they averaged 13 monthly contacts with their specialist.

All Housing properties are currently full. Moisture alarms were installed on water heaters at Woolen Mill to help prevent leaks that could cause major damage.

**On-time performance for Transit Drivers**

**The rate of exited FaDSS families with mental health concerns that accessed treatment**

## MAKING A DIFFERENCE

Nearly 8,000 pounds of food were provided to 161 households through our food pantries.

Our outreach offices made 350 referrals to 256 households for other NEICAC services & outside community resources.

**139 active employees**  
Current openings are in Head Start & Transit
