

## LIHWAP Update

NEICAC's funding for the Low-Income Household Water Assistance Program (LIHWAP) has been exhausted. To date, we have paid nearly \$350,000 to assist 744 unduplicated households in maintaining or regaining household water supply!

Early Childhood Programs staff have been busy getting ready for the upcoming school year with pre-service training!

### Family Services

Over 10,000 pounds of food and non-food items were distributed to 192 separate households from our food pantries in July.

### Transit

In July, Transit drivers transported 434 passengers, 64 of who were brand new to our program!

### Housing

Our Housing Programs Coordinator participated in a Waukon Housing Meeting, highlighting the importance of increasing the housing stock of affordable housing opportunities in the community.

### FaDSS

In July, 39 home/quality visits & 161 significant contacts were provided.

### Weatherization

Four of our Weatherization Crew Members attended the Iowa Community Action Conference in July, adding additional Combustion Safety and WAMS training to their toolboxes.

## What Our Clients Are Saying...

*"FaDSS has been an amazing experience. They have helped us to get back on our feet."*

*"The knowledge and compassion makes all the difference!"*

*"My family has been blessed with our (FaDSS) worker, just knowing she cares and is available. It is really awesome. She's always wanting to help any way she can."*

*"The reason why I chose EARL is that the Drivers are nice and that I want to ride the transit because I like to see new faces every time I ride. They help me get around to where I need to go. I get along with the Transit Drivers and the passengers."*
