

NOVEMBER 2023 DASHBOARD

NORTHEAST IOWA COMMUNITY ACTION CORPORATION

★ 1.4 ★
MILLION

In October 2023, our LIHEAP program processed 2,782 applications, of which, 2,723 were approved - totaling over 1.4 million dollars in assistance provided!

CACFP

October began a new program year for CACFP. We currently have 43 home childcare providers ensuring 515 children are served nutritious meals. These providers served 11,961 healthy meals and 7,348 healthy snacks!

Transit

In October, Transit drivers transported 465 passengers to 6,472 places they needed to go! Logging 50,452 miles, these trips included places like work, medical & dialysis appointments, work activity for individuals with disabilities and more!

Head Start

47 Head Start employees recently attended the new PBIS training on high quality, supportive environments to assist teachers in creating engaging learning environments for the children in our classrooms.

Housing

Holliday Miller is the proud owner of a new home in Tripoli! The dream of homeownership is made possible through our Lease-Purchase program.

Congratulations and welcome home Holliday!

Weatherization

We received the SLICE (Statewide Low-Income Collaborative Effort) report for 2022, which is the performance report for all the WAP departments in the state. We were pleased to be one of the top agencies for dollars saved annually per household with an average savings of \$622.00/household. This was the second highest in the state of Iowa with the top agency at \$635.00/household. NEICAC's average cost per household was \$12,494.00-which is the lowest cost in the state! This compares to the top saving agency spending almost \$29,000.00 per household. Hats off to the NEICAC's WAP staff for another outstanding year!

OCTOBER BY THE NUMBERS

2,094 Households Served by various NEICAC programs such as crisis assistance, referrals, LIHEAP, or food pantry visits

9,000 Pounds of food from NEICAC's food pantries were distributed to 156 households

2 New Family Services Specialists have joined our team! Welcome to Amy Hershberger in Cresco & Alyssa Woodward in Waverly!

FaDSS

Nichole Griese, FaDSS Director, attended the National Association for Welfare Research and Statistics (NAWRS) Conference in Salt Lake City, Utah. Nichole participated in a panel presentation regarding her participation on an implementation team, who have been using the Li2 (Learn, Innovate, Improve) model to support evidence driven change within the FaDSS program.
